The Group has adopted the following accounting standards, amendments and interpretations (including the consequential amendments) that have been issued by the MASB:

FRSs and IC Interpretations (including the Consequential Amendments)	Effective date
FRS 1 (Revised) First-time Adoption of Financial Reporting Standards	1 July 2010
FRS 3 (Revised) Business Combinations	1 July 2010
FRS 127 (Revised) Consolidated and Separate Financial Statements	1 July 2010
Amendments to FRS 1 (Revised): Limited Exemption from Comparative FRS 7 Disclosures for First-time Adopters	1 January 2011

Amendments to FRS 5: Plan to Sell the Controlling Interest in a Subsidiary	1 July 2010
Amendments to FRS 7: Improving Disclosures about Financial Instruments	1 January 2011
Amendments to FRS 138: Consequential Amendments Arising from FRS 3 (Revised)	1 July 2010

1. Basis of preparation (Cont'd)

FRSs and IC Interpretations (including the Consequential Amendments) (cont'd)	Effective date
Amendments to IC Interpretation 9: Scope of IC Interpretation 9 and FRS 3 (Revised)	1 July 2010
IC Interpretation 4 Determining Whether An Arrangement Contains a Lease	1 January 2011
IC Interprétation 12 Service Concession Arrangements	1 July 2010
IC Interpretation 16 Hedges of a Net Investment in a Foreign Operation	1 July 2010
IC Interpretation 17 Distributions of Non-cash Assets to Owners	1 July 2010
IC Interpretation 18 Transfers of Assets from Customers	1 January 2011
Annual Improvements to FRSs (2010)	1 January 2011

The above accounting standards and interpretations (including the consequential amendments) are not relevant to the Group's operations except as follows:-

- (i) FRS 3 (Revised) introduces significant changes to the accounting for business combinations, both at the acquisition date and post acquisition, and requires greater use of fair values. In addition, all transaction costs, other than share and debt issue costs, will be expensed as incurred. This revised standard will be applied prospectively and therefore there will not have any financial impact on the financial statements of the Group for the current financial year but may impact the accounting for future transactions or arrangements.
- (ii) FRS 127 (Revised) requires accounting for changes in ownership interests by the group in a subsidiary, while maintaining control, to be recognised as an equity transaction. When the group loses control of a subsidiary, any interest retained in the former subsidiary will be measured at fair value with the gain or loss recognised in profit or loss. The revised standard also requires all losses attributable to the non-controlling interest to be absorbed by the non-controlling interest instead of by the parent. The Group will apply the major changes of FRS 127 (Revised) prospectively and therefore there will be no financial impact on the financial statements of the Group for the current financial year but may impact the accounting of its future transactions or arrangements.

25. Material Litigation

Save for the material litigations as disclosed below, there are no other material litigations involving the Group as at 16th November 2011:

- (a) On 29th November 2006, ICB had filed a lawsuit against Japan Air Lines (“JAL”) in the U.S. District Court, Eastern District of New York for JAL’s infringement of IRIS’s US patent. This claim is based on the allegation that JAL’s inspection of passports at United States airports infringes IRIS’s patent over a method of manufacturing a secure electronic passport.

JAL has filed a motion to dismiss the claim. IRIS’s solicitors, Messrs Moses & Singer LLP (the “**Solicitors**”), has opposed the motion to dismiss. The briefs on the motion had been filed in June 2007. The District Court had on 30th September 2009 granted JAL’s motion to dismiss the claim and the decision stated that the patent protections conferred on IRIS conflicted with, and were superseded by JAL’s federal legal obligation to inspect passenger passports. The Solicitors had, on behalf of IRIS, filed a notice to appeal to the United States Court of Appeals for the Federal Circuit in Washington and the matter is currently stayed pending the outcome of the JAL’s bankruptcy proceedings in Japan.

The Solicitors of the Company stated that there are no US case precedents to indicate the likelihood of success on appeal. However, by analogy, the Solicitors pointed out that there are many regulations affecting airlines, such as JAL, as well as affecting other commercial operations, requiring these commercial entities to use intellectual property and other property that they do not own. These commercial entities do not get such property for free, and must buy them, even though regulations require that they use them. The Solicitors argued further that JAL should not be able to use IRIS’ intellectual property for free, as part of their commercial operations.

The Solicitors further informed that in any event, it does not appear that this case will be heard within the next year or two, as the Federal Circuit in Washington proceedings are dependent upon the outcome of the Japanese bankruptcy proceedings. Until these proceedings are complete there is nothing for IRIS to do with respect to the JAL litigation.

Regarding the bankruptcy proceedings, on 1st November 2010, JAL stated that the stay issued by the US Bankruptcy Court remains in effect. The reorganization proceedings in Tokyo District Court are ongoing. The Debtors filed a Proposed Reorganization Plan on 31st August 2010 and the Tokyo District Court has not yet acted with respect to such plan. In short, the bankruptcy proceedings are still in progress and there is no outcome as yet.

- (b) IRIS Technologies (M) Sdn Bhd (“**ITSB**”), a wholly owned subsidiary of IRIS, and its joint venture Turkish partner Kunt Elektronik San.Ve Tic. A.S (“**KUNT**”) (“**JV Company**”) had on 17th September 2009 received a Letter of Termination dated 14th September 2009 (“**Letter of Termination**”), from Emniyet Genel Mudurlugu (“**EGM**”), known as General Directorate of Security in relation to the provision of Electronic Passport Issuing Systems in Turkey (“**The Agreement**”).

Pursuant to the Letter of Termination, EGM requested for refund of New Turkish Lira (“YTL”) 6.195 million (equivalent to approximately RM14.6 million at an exchange rate of YTL 1: RM2.36 as at 18th September 2009) which is equivalent to the first phase payment received by the Joint Venture Company between ITSB and KUNT. Subsequently, all the hardware and equipment delivered shall be returned to the JV Company.

On 18th September 2009, Messrs Sen & Arpacı had on behalf of the JV Company, made an application to the Ankara Civil Court of Turkey (“Court”), for an injunction to restrain EGM from claiming on the performance bond submitted by the JV Company in year 2007.

On 24th September 2009, an interlocutory injunction was obtained by the JV Company from the Court. Subsequently, on behalf of the JV Company, Messrs Sen & Arpacı had on 5th October 2009 filed a lawsuit against EGM in Ankara Court of First Instance (“Ankara Court”) for the unlawful termination of the Agreement. The JV Company is claiming a total of YTL 5 million from EGM and the return of the performance bond. This matter was first heard on 22nd December 2009.

On 23rd March 2010, EGM presented a counter claim, claiming approximately YTL 5.25 million from the JV Company. Specifically, the EGM is seeking to return all the hardware and equipments to the JV Company in exchange for a refund of YTL 5.25 million paid to the JV Company. The third hearing was held on 10th June 2010. The outcome of the hearing was that the judge had requested the JV Company to submit the precise damages amount(s) to be claimed against EGM so that the judge can decide which component court will hear the matter.

On 5th October 2010, JV Company had submitted new evidences for the case. The Courts accepted JV Company’s submission and ordered EGM to reply to the new evidences submitted by JV Company within 20 days from 5th October 2010. However, no decision was granted at this stage to the EGM for their claims of refund of YTL 5.25 million they paid for the completion of phase 1 of the Project (for hardware and equipments delivered). At the same hearing, the Courts appointed three expert witnesses to study and analyze the case and the submissions of both Parties on commercial and technical grounds since the case is highly technical in nature. The Courts then fixed 23rd December 2010 to hear the reports from the Court’s appointed specialists or expert witnesses before giving out further directions. On 23rd December 2010, the Court heard that the expert witnesses are yet to deliver their expert report or analysis of the case and stated to the Court that they need more time to analyse.

There was no progress on the hearing dated 6th October 2011. The next hearing date has then been postponed and fixed on 31st January 2012 for the receipt of the experts’ report.

In parallel, EGM filed additional claims of loss of opportunity amounting to YTL 13.041 million against the JV Company on 14th September 2010. On 30th November 2010, JV Company submitted evidences substantiating grounds for the rebuttal of this EGM's additional claims. On 8th February 2011's hearing, the Court granted 20 days for EGM to respond to the JV Company's earlier submitted rebuttal. On 12th April 2011 hearing, the Court appointed two experts who are experienced in law and finance matters to prepare a report on the case.

There was no progress on the hearing dated 6th October 2011. The next hearing date has then been postponed and fixed on 20th December 2011.

Messrs Sen & Arpaci is of opinion that the JV Company has a good chance of recovering all the amount claimed and having the performance bond returned. Messrs Sen & Arpaci is also of the view that the counter claim filed by EGM is likely to be rejected by the Ankara Court.
